Firemen Give Dance Saturday Night

LIONS CLUB SHOW PROVES HUGE SUCCESS

The rip snortin' frolic presented Tuesday night by the Daly City-Colma Lions club for the benefit of the Daly City Sea Scouts, on the stage of the local theatre, was an outstanding success from start to finish.

There was no question in the minds of those who filled the theatre to near capacity that six-year-old Puzz Furth, rapid-fire chewing gum artist, and drummer soloist extraordinary, was about to "steal the show" the moment he appeared on the stage.

Dressed in a tight fitting costume of the comic-strip "Superman" Puzz strutted across the stage and was introduced by the inimitable Ray Toney who acted as Master of Ceremonies.

DRUMSTICKS FLY

Puzz took up his position beside his two sets of drums and then things began to happen. The boys in the "pit"—the orchestra—struck up a lively tune, and then Puzz began to throw drumsticks, figuratively speaking, all over the place.

The faster the boys in the pit played, the faster Puzz manipulated those drumsticks while he kept his eyes focused on the stage footlights, and all the while chewing that great wad of gum he held in his mouth to the tempo of the music.

It wasn't necessary for the young artist to finish his first piece before the audience broke forth into a tumultuous ovation. Time and again this happened. Puzz seemed to be a little groggy as he left the stage after successive curtain calls.

TAP DANCER ARTIST

Beautiful Betty McKenzie (Hollywood scouts are passing up a bet in not including Daly City on their itinerary), Lois Kern and Billy Denton put over some mighty fine warbling, and the beautiful Betty had her audience completely "wowed" when she put on her tap dance.

There was also some mighty fine tap dancing demonstrated by the nimble legs owned by Jeanette Cuthbertson and Jackie Courdier. Maureen Ziebell also did some unexcelled tap dancing atop a drum. And there was some hot accordion music given by Bob Lynch.

To add to the show's success was a one-act play given by the dramatic class of the Jefferson Union high school which was received by an enthusiastic audience.

MAYOR OPENS SHOW

The show was formally opened with a short speech by Mayor Melford Battye who paid high tribute to Art Kloth, manager of the Daly City theatre, "whose untiring efforts has been responsible for the success of the show."

Members of the Lions club did much to enliven the show with the presentation of a skit, "The Donkey Serenade" a hilarious bit of monkeyshines that went over in a big way.

O'SHAUGHNESSY SCORES

Gil O'Shaughnessy, Standard Oil representative in San Mateo county struttin' his stuff both on the clarinet and the saxophone. In the humble opinion of the writer (and dollars to doughnuts that anyone in that audience will concur) O'Shaughnessy could easily give any sax or clarinet player in any of the top notch bands in the country a good run for their money. It was worth the price of admission to hear Gil play. Space forbids further superlatives to delineate in proper colors the artistry of his music.

POPPIES Legion Auxiliary In Charge Of Poppy Sales

"Honor the war dead and aid the wars' living victims," will be the theme of the annual observance of Poppy Day here today and tomorrow. Every person in Daly City will be asked to wear a memorial poppy and to make a contribution for the welfare of the disabled veterans, their families and the families of the dead.

Preparations for Poppy Day were being completed today by a large committee of American Legion Auxiliary women, headed by Mrs. Vivian Pahlka, Poppy chairman. Volunteer workers from the Auxiliary will be on the streets at an early hour tomorrow distributing the poppies and receiving the contributions.

"Although the second World War is slipping rapidly into the past, we believe that the memory of the young men who gave their lives in that conflict is still fresh in the minds and hearts of all of us," said Mrs. Pahlka. "The dead of the first World War have gone for 29 years, yet we remember their service and sacrifice. The poppies which we will put on today will show that we have not forgotten and are grateful for their defense of our country."

"We must not forget, either, those who live in suffering and hardship because of war wounds and illness, the disabled veterans, or their children and the children of those who have died. The contributions we make for the poppies go for their welfare, for help which can come to them only through this means."

The poppies to be distributed here have been made by disabled veterans at Palo Alto Facility. Auxiliary workers will all be unpaid volunteers, permitting the full amount of all contributions to go into the Auxiliary's rehabilitation and child welfare work.

Poppy Day here will be part of a nation-wide observance in which an estimated 125,000 Auxiliary women will distribute approximately 25,000,000 poppies tomorrow.

Announce New Girl Scout Course

An introduction to girl scouting will be given in a short course of training to be held next Wednesday at the Girl Scout House, 101 Parkview avenue under the supervision of Mrs. Helen Gould, executive director.

Memorial Day Services Slated For May 30th

Impressive Memorial Day services will be held by the Daly City Post No. 410, American Legion and other patriotic organizations at 11 a. m. May 30, at the Golden Gate National cemetery, it has been announced.

The United Veterans Coordinating Council of San Mateo county will be in charge of the ceremonies and has announced that the Marine Corps League will participate in the affair. Both military and civilian leaders will speak.

Voters Approve Tax Increase For The High School

In what was reputed to be one of the heaviest elections of its kind ever held in this section, Daly City residents voting at the election last Friday, by a wide margin approved an increase of sixty cents tax rate for the Jefferson Union High School district.

The voting by precincts was as follows:

Precinct	Yes	No
Rockaway Beach	19	4
San Pedro	81	24
Bayshore	104	94
Brisbane	106	39
Jefferson	176	94
Woodrow Wilson	329	61
Crocker	219	81
Total	1034	397

The Daly City Record was this week the recipient of the following communication from the Board of Trustees of the Jefferson Union high school:

We wish to thank the voters of the Jefferson Union High School District for their splendid support of our proposal to increase the tax rate limit sixty cents for the coming five years.

The increased funds will enable us to erect buildings which are urgently needed and to meet the increased costs of operating the school.

We value your confidence and shall continue to do our best for the students, employees, and the taxpayers.

SIGNED: Remi Sanders, Chairman; Pearl Jones, Clerk; Peter Markovich, Thomas Tallon, E. A. Weisenburger, Board of Trustees, Jefferson Union High School District.

Mrs. Dorrance Elected Trustee

After receiving more than double the votes of her opponent, Mrs. Nell Dorrance of Daly City was last Friday elected as a trustee of the Jefferson Elementary school district. Mrs. Dorrance polled 632 votes against 312 polled by her opponent, George R. Augustien.

Voting in the precincts was as follows:

Crocker: Mrs. Dorrance, 136; Mr. Augustien 146; Woodrow Wilson: Mrs. Dorrance, 278; Mr. Augustien, 118; Jefferson: Mrs. Dorrance, 218; Mr. Augustien, 48.

Daly City G.I. On Way From Orient

Private Joseph A. Schenone, son of Mrs. Adeline Parodi of 17 East Cavour street, Daly City, has recently left for discharge and return home. Pvt. Schenone was formerly a member of the 90th Field Artillery Battalion of the 25th Infantry (Tropic Lightning) Division, commanded by Major General Charles L. Mullins jr.

Pvt. Schenone entered the Army on September 12, 1946, and received his basic training at Fort Bliss, Texas. He departed for overseas duty on December 5, 1946, and upon his arrival in Japan was assigned to the 25th Division.

Before entering the service, Pvt. Schenone attended Jefferson Union High school.

AFFAIR HELD FOR BENEFIT DEPARTMENT'S WIDOWS AND ORPHANS

Bank Of America Will Enlarge Local Facilities

The Daly City branch, Bank of America, 6298 Mission street was this week granted a permit by A. J. Bodien, building inspector, for an extension and alteration of their present building at an estimated cost of \$45,000.

Plans call for an additional 60 feet to the building. A new vault will be installed and fourteen new teller windows will be built, it was announced. The contract was let to the Capitol Company of San Francisco.

Leave For Trip To Scotland Via Air And Steamer

Mr. and Mrs. George Murray, 712 Templeton avenue, left San Francisco May 13 for New York where they embarked via airplane for Prestwick, Scotland. The couple will visit relatives and friends in various sections of Scotland. Following a three month visit, they will return to the states on the Empress of Canada.

Mr. Murray will visit a sister in Forfar, and friends he has not seen for the past 40 years. Mrs. Murray will visit an aunt who lives in Glasgow.

A bon voyage party was given the couple on May 3, at their home. About 75 guests attended.

D. C. Police Arrest Alleged Tamperer Of Automobile

Ernest Ayala of 4514 Ulloa street, San Francisco was arrested by Daly City police shortly after 10 p. m., Sunday on a charge of suspicion of allegedly tampering with an automobile belonging to Charles Trade, 234 Vienna street, San Francisco.

Shortly before 10 p. m., an unknown person phoned police and said that a man had been trying to start several cars parked in the 6000 block of Mission street. When Sergeant Petrocchi and Patrolman Edward Beecher arrived in a squad car at Hillcrest and Mission streets, they were informed that the man had just driven west on Knowles avenue.

When halted at Knowles avenue, Ayala told officers that he just intended "to drive the car to the bottom of the hill."

When brought to the City Hall, Ayala, according to officers "was very uncooperative" and said that he did not want his fingerprints taken.

Ayala was released on bail of \$100 for his appearance before Judge William J. Sweeney, this afternoon.

Great Entertainment, Program And Fun To Highlight Evening

"The Fireman"

(With apologies to Hannah Horan)
Oh, Fighter of smoke and frenzied flame
We give full honor to your name;
The clanging bells, the sleepless nights,
The tapper's tick, the hurried flights,
The sooted hands, the eyes seared red,
The heat, the cold, the empty bed.
Oh, Fighter of smoke and frenzied flame

Your toil-wrought hours are forged in fame;
And, phoenix-like your name will rise
A brilliant star in our country's skies
America honors her worthy son
Forever loyal, for work well done.

Everything is all set for the big annual dance given by the Widows' and Orphans' Association of the Daly City Fire Department which will be held Saturday night at the Jefferson Union High School auditorium.

One of the highlights of the ball will be a group of folk dances put on by five couples under the direction of Miss Muriel Mooney. Music will be provided by Phil Bovero's eight piece orchestra with Clancy Hayes and Nadia Canon, vocalists.

Fire Chief J. E. Kennedy announced Thursday morning that more than 2000 tickets have already been sold for the affair and that there is no question that the dance would be an outstanding success and would probably top that of previous years.

Another feature of the dance will be the grand march led by Mayor Melford Battye in which members of the City Council, fire commissioners, and members of the fire department will participate.

S. F. Man Posts Bail After Arrest By Local Police

John H. Klingenfuss, 145 Belvedere street, San Francisco, was arrested Saturday evening by Daly City police on a charge of driving his automobile while allegedly under the influence of liquor.

According to Sgt. Petrocchi and Patrolman Arthur Linhares who made the arrest, Klingenfuss was driving east across Mission street from Knowles avenue and then proceeded north on Mission street "using two lanes of traffic in a very erratic manner."

The defendant was released in bail of \$100 to appear today before Judge William J. Sweeney.

JUSTICE IN GERMANY

The job of bringing German industrialists to justice is not receiving the headlines that similar action against the top Nazi war criminals did. But it is going steadily ahead.

The recent indictment of 24 members of the huge I. G. Farben combine is a part of that activity. If found guilty they may be sentenced to death. Brigadier General Telford Taylor, who presented the indictments, declared, "In a very real sense, these defendants and other like them—not the half-mad Nazi fanatics and the street-fighting thugs—are the principal war criminals.

"What is more important," he went on, "these defendants will, if their guilt is unexposed and unpunished, be an immeasurably greater threat to the future peace of the world than would Hitler if he were alive today."

In prosecuting the German industrialists the Allies have set a precedent. Heretofore the men who created the weapons of war and sought to enrich themselves in the process have invariably gone free. Of course, these industrialists have not yet been convicted. And there can be little doubt that they and their friends in other countries, including our own, will do all they can through political pressure to gain an acquittal, or, at the worst, light punishment.

The American public should follow the trial closely. If the evidence presented shows conclusively that they are guilty their penalties must be in line with those handed out to the Nazi leaders.

KEEP THAT OPTIMISM!

According to Elmo Roper, noted public opinion sampler, the great majority of the American people still believe in America as a land of opportunity. Approximately 70 per cent of the men, says Roper, feel that they have more and better opportunities than their fathers had.

And more than 60 per cent of them think their sons will have still greater opportunity.

Commenting on this survey, Collier's Magazine declared editorially:

"What it signifies is that few of us have fallen for the shrinking economy, vanished-frontier propaganda of despair which prophets of doom and enemies of the American system have been dinning into our ears for the last 25 years or so.

"Americans by and large continue to be optimistic and enthusiastic about this great country, its future and the opportunities it offers to all who will work. And that optimism, if you ask us, is a priceless asset. It was what inspired our pioneers, from Plymouth Rock and Jamestown days on down the centuries.

"Let's just hold on to it and cultivate it; and let's buy little or none of the pessimists' stock in trade. There's bad and bogus medicine, and it never helped any nation that we know of."

NATIONAL MARITIME DAY

When the Japs attacked Pearl Harbor and the fate of our Nation hung in the balance, the American people suddenly realized as never before the vital importance of the Merchant Marine.

It was the merchant vessels that had to carry the men and supplies to bolster the defenses at Hawaii and to prepare for the Pacific offensive. It was the Merchant Marine that took millions of American boys and their millions of tons of equipment to all parts of the globe in the fight for freedom.

Now the war is over. The military crisis is past. Most of the vast fleet of ships built in such frantic haste during the conflict are useless. They're too slow, too costly to operate under peacetime competition. We must have new ships—faster and more efficient—to hold our own on the seven seas, to facilitate foreign trade, and to have a Merchant Marine capable of meeting any national emergency.

This shipbuilding program will require Government subsidies, for under no other circumstances can American vessels, built and operated under the high-wage standards of American labor, survive in the face of the low-wage-standard competition of foreign countries.

Support for our Merchant Marine must also come from American manufacturers and distributors who should give first consideration to American vessels in transporting their goods overseas. Individual citizens can also help by traveling on American ships when going abroad.

One of the principal purposes of National Maritime Day which falls in this week—May 22—is to call the attention of the American people to these facts and to remind them of the tremendous importance of maintaining a strong Merchant Marine as an instrument of peace and a weapon of war.

IT HAS BEEN SAID

It isn't so important to win honors as it is to deserve them.

News of Local Grammar Schools

Jefferson

Through the courtesy of the Santa Fe Railroad, Jefferson eighth graders had the pleasure of seeing in their classrooms a technicolor, sound motion picture, the "Grand Canyon." While those who have visited the Grand Canyon know one must see the reality to absorb in even a small degree the beauty and magnitude of this wonderland, yet the coloring of this picture was so superb and the detail so well done that the class felt actually transported to this great National park. Nothing was omitted, even to the trip down the trail on the little burros to the canyon bottom. Seventh graders saw the picture too, as the guests of the eighth grade. As the picture ended, "May we see it again?" was chorused around the room. (Yes, they saw it twice.)

The eighth grade lost one of its most popular boys. Dewey Powell has returned to Texas. He had been with us not quite a year and at first found us a little hard to take, by comparison, of course, with his Texas friends and his great state. But the day he left he told his classmates, that of all the schools in which he had been, Jefferson was the finest. Of course, this was music to his classmates' ears. While they regretted losing him as a classmate, they knew that Texas was in his blood and, for his sake, were glad that he was able to return to his native state. Uncle Sam will keep the friendships alive via the mail route.

Kindergarten children have learned during the past week that they are not the only small creatures that drink milk. Pictures, stories and discussions have focused attention on the values of milk, to growth. They also had the joy and satisfaction of making butter as one of their activities. This, of course, was followed by crackers and butter.

Dolores Del Campo has recently returned from a trip to Mexico. Her classmates are now hearing some of their everyday words as they are spoken in our sister republic.

Crocker

Out of town visitors were Barbara Dale, who went to the Russian River, Raquel Rocha, who visited in San Jose, Diane Hall, who went to Oakdale, and Dollyne Brown, who made a trip to Fairfield.

Thomas Costello spent the week end in Butte Meadows.

During the second report card period, from March 17 to May 3,

ARMY REOPENS AVIATION CADET TRAINING PLAN

Reopening of the U. S. Army's Aviation Cadet Training program to military and civilian personnel within the United States has been officially announced by the War Department, which states that the renewed program is effective as of May 10, 1947.

Single male citizens between the ages of 18 and 26½ who agree to remain unmarried during their training period are eligible to apply for enlistments, which are for a three-year period. Men who have previously been graduated from a service pilot training school or who have been eliminated because of failure in flying are not eligible.

Those applying must be of excellent character and in good health, and are required to have satisfactorily completed at least one-half the credits leading to a degree at a recognized college or university or be able to pass a mental examination which will measure the equivalent thereof. Personnel who possess the required credits will be exempt from the mental examination.

Qualified young men who are interested in a flying career with the Army Air Forces are invited to visit the U. S. Army Recruiting Station at 428 Market street, San Francisco, where they may obtain application forms. These forms must be accompanied by documentary evidence of date and place of birth, three letters of recommendation, and a transcript of scholastic records. Completed applications will then be submitted by the recruiting station to an Army Air Forces examining board for review and approval.

45% of the students of the H6 and L7 grades had perfect attendance, unmarred by tardiness.

On Mother's Day Larry Nofziger and his parents had a nice Sunday drive down the Peninsula and a dinner at Fisherman's Wharf.

We are sorry to hear that Patricia McClelland is absent because of the "flu."

Marianne Costello, H7, went to Butte Meadows over the week end.

Norman Cady made a trip to Russian River.

Red Cross Swim Classes Extended

The annual American National Red Cross swimming campaign at the Jefferson Union high school has been extended from one series of lessons to three, it has been announced.

All classes will be held in the morning. One series will be held every day except Sunday from Monday, June 23 through Thursday, July 3. The second and third series will be held from July 7 to August 2, with the second series being on Monday, Wednesday and Friday. The third series will be held on Tuesday, Thursday and Saturday. All persons wishing to learn to swim or improve their swimming style are encouraged to register.

All swimming information may be had by calling Miss Young at JUNiper 4-2510.

Lassen County Trout

Trout anglers have been enjoying first rate sport recently along the streams of Lassen county, reports the National Automobile Club. They have taken several good limits from Ash Creek and made some good catches in the waters of Fall River and Eastman Lake.

American Legion Auxiliary poppies were worn in honor of the war dead by 25,000,000 Americans last year.

Atty. Gen. Howser Issues Opinion On Min. Wage Rates

Procedure by which minimum wage rates and suitable working conditions are established for California women workers by the State Industrial Welfare Commission is established by an opinion issued today by Attorney General Fred N. Howser.

Prepared in response to a request from the commission, the opinion holds that conferences or wage boards should be held, in addition to public hearings, when orders of the commission are altered or amended.

As a result of the opinion it will be necessary for the Industrial Welfare Commission to convene wage boards before orders which were originally scheduled to become effective on June 1 can be re-adopted and re-published.

In the analysis of the opinion, Attorney General Howser stated, "We have had numerous communi-

Allocate \$82,000 More For County Juvenile Home

An additional \$82,000 for facilities to be used in the construction of the new juvenile home was officially given the green light by members of the San Mateo county board of supervisors at a meeting held this week.

These facilities, not included in the cost of the new building, include an access road to the hill back of the relief home located west of Belmont, and a water system. The water system, it was pointed out, would not only serve the juvenile home, but would also take care of the relief home and other county facilities which may be built on the site at a later date.

The road would cost approximately \$15,000 and the water system about \$67,000, according to County Engineer M. A. Grant.

The entire construction of the new juvenile home will cost in the neighborhood of \$150,000. Preliminary plans for the building were presented by the probation committee and Leo Sharpe of the advisory board of architects.

cations from representatives of both labor and industry indicating that they feel very strongly that wage boards should be held."

Both the representatives of labor and industry have emphasized, the analysis continued, that wage boards "are a much more effective means for them to bring facts before the Commission than are the public hearings."

With regard to the delay in making pending orders of the commission effective, Attorney General Howser's statement declared the convening of wage boards "is justified in view of the necessity of giving all parties concerned every opportunity to receive notice and to be heard."

The opinion is expected actually to avoid delay, because, the analysis stated, "we are aware that the parties interested contemplate one or more suits to test this point should wage boards not be held, and the accompanying delay would probably be much greater than the delay entailed by the procedure suggested."

Advertisement for Bids

Notice is hereby given that the Bayshore Fire Commissioners, Bayshore Fire District, will receive bids for furnishing all labor, material, transportation and services for the construction of Bayshore Fire House No. 1, Bayshore, San Mateo County, California; each bid to be in accordance with plans and specifications and other Contract Documents now on file with Frank Wynkoop, Architect, 821 Market Street, San Francisco, California, where they may be examined and copies obtained upon the deposit of \$20.00 per set, which deposit will be refunded upon the return of such copies in good condition within five (5) days after the bids are opened.

The Board of Commissioners have determined that a period of not less than seven (7) days will be required for bidders to properly estimate and determine their proposal therefor. Plans and Specifications will not be issued to bidders after May 26th, 1947.

Bidders are hereby notified that pursuant to the statutes of the State of California or local law thereto applicable to Board of Commissioners, Bayshore, San Mateo County, California has ascertained the general prevailing rate of per diem rates and rates for legal holidays and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder.

The prevailing rates so determined are as follows:

CRAFT	HOURLY WAGE
Bricklayers (6 hour day).....	\$2.05
Carpenters	1.75
Carpet and Linoleum Layers	1.94
Cement Finishers	1.75
Electricians	1.875
Glassworkers or Glaziers.....	1.65
Iron Workers	2.00
Laborers	1.25
Painters	1.75
Plumbers	1.875
Hod Carriers (6 hours).....	1.57½
Roofers	1.50
Sheet Metal Workers.....	1.75
Tile Setters	1.80

No labor shall be paid a wage that is less than One Dollar and Twenty-five Cents (\$1.25) per hour. Time and one-half shall be paid for overtime and Sundays and all State Holidays in all crafts except Iron Workers and Boilermakers who shall receive double time.

The foregoing schedule of wages is based upon a working day of eight (8) hours, the contractor shall keep himself informed as to any changes in the above wage rates and shall include any increases in his bid.

It shall be mandatory upon the contractor to whom the contract is awarded, and upon any sub-contractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Notice is also hereby given that all bidders shall submit with their bid a statement of their financial responsibility, equipment, technical ability and experience. Such statement will be considered with the bid in making an award.

Each bid shall be made out on a form to be obtained at the office of Frank Wynkoop, Architect; shall be accompanied by a certified or cashier's check or bid bond for fifteen per cent (15%) of the amount of the estimated maximum labor item made payable to the order of the Board of Commissioners, Bayshore Fire District, San Mateo County, California, and shall be sealed and filed with the Board of Commissioners at the Bayshore Fire District on or before June 2nd, 1947, at eight (8) o'clock P.M. and will be opened and publicly read aloud at or about eight (8) o'clock P.M. of that day in the Office of the Board of Commissioners, Bayshore Fire District.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the Contract if awarded to him and shall be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the Board of Commissioners.

The Board of Commissioners reserves the right to reject any or all bids or waive any informality in a bid, or to award a contract on the basis of the proposal which serves the best interest of the Bayshore Fire District.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated at San Francisco, California, this 23rd day of April, 1947.

(Signed) ALFRED J. TAYLOR,
Chairman.

More Music Comes To Town With The P. T. A. Mothersingers

The outstanding achievements of our Daly City Band are creating new interests in music. This interest is not being confined to instrumental work; the PTA Mothersingers are making it vocal.

The Mothersingers of the Jefferson School District are jointly sponsored by General Pershing, Woodrow Wilson, Crocker, and Jefferson Union High PTA units. On Wednesday morning each week they raise their voices, and really enjoy their singing. The three-part choral work is an entirely new experience for many of the singers, but they work out the discords, and work in the harmony. Anyone who heard their fine performance recently in Redwood City at the 17th District Convention of the California Congress of Parents and Teachers will vouch for the profits of a few months' practice. The only requisites for membership in this group are a PTA membership card, and the desire to sing.

An invitation to new members is being issued by the Mothersingers. Mrs. E. B. Ochander, director, says she will gladly give information to aspiring singers if they will call her at JUNiper 7-7925. The presidents of General Pershing, Crocker, Woodrow Wilson, or Jefferson Union High PTA units can also be contacted by anyone interested in joining the group. A regular weekly notice of meetings is carried in the Activity Calendar of this paper.

Last year, 3,410 persons were killed and 120,060 injured in U. S. traffic accidents as a result of driving on the wrong side of the road. Drive right!

Girl Scouts Of Brownie Troop 8 Fete Birthday

A celebration was held last Friday in honor of the birthday of Brownie Troop No. 8, Girl Scouts.

President Carole Hesselein had the honor of wearing the new president's pin, made and presented to the troop by Mrs. John Calvin.

The following program was presented:

Presentation of Colors
Salute to Our Flag
Brownie Promise
Song by the Troop
Piano Solo—Vicki Schroeder
Violin Solo—Anna Rose Bejar
Accordion Solo—Peggy Sorenson
For the birthday ceremony a birthday box, made by Mrs. Thur and the committee, held the lovely crowns. The birthday children, who were escorted to the seat of honor and crowned, were Anna Rose Bejar, Vicki Schroeder, Sheila Sullivan, Carole Hesselein, Jacqueline Hulme, Barbara Valentino, Shirley Parquer, Joy Beecher, and Virginia Farrell. Both Leaders, Mrs. Heagney and Mrs. Miller, and two mothers, Mrs. La Cava and Mrs. Eschenauer, also celebrated their birthdays.

The big surprise came when Mrs. Marie Sorenson, of the troop committee, presented each birthday child with a gardenia corsage, and the leaders with beautiful bouquets.

Year pins were presented to Carole Hesselein, Darlene Haynes, Vicki Schroeder, Sheila Sullivan, Elizabeth Eschenauer, Anna Rose Bejar, and Joann Meadows.

Troop numerals were also presented and Brownies can now wear their Troop numbers like their older sister scouts.

Mother's Day gifts, which the girls have been busily making for some time, were presented to all

Colma Boys Club Win First Game By 3 to 2 Score

The newly formed Colma Boys' Club, composed of members of the Jefferson Union High School baseball team "went to bat"—and in a big way last Sunday—for their sponsor, Joe Sarto, when their first game ended in victory by defeating the Central Creamery nine 3 to 2.

While the score was not a sensational one, it demonstrated the esprit de corps the lads displayed as they fought hard to show their appreciation for what Sarto is trying to do for the boys in the way of providing athletic activities during the summer months. The latter said that he hoped to make a permanent Daly City-Colma boys club feasible.

Joe Sarto who has never "been slow on the draw" when it comes to helping the lads around the Daly City and Colma districts had every reason to be proud of his proteges in their first game.

Perhaps the highlight of the entire game was when Mossi, the pitcher of the Colma team, smashed out a home run which received a thunderous applause from the Colma rooters. Welsh of the Central Creamery got four hits out of five times at bat.

The game was played at the Jefferson Union High School grounds.

This coming Sunday the Colma lads will engage the Capitol Cleaners team at Marchbanks Park at high noon.

The box score follows:

COLMA BOYS' CLUB

Renner Ball Team in 1st Place Tie

The Walter Renner Real Estate soft-ballers massacred Link Belt, 20-0, on Thursday, May 15, at Margaret Hayward playground as Arnold Gilpen hurled a one-hitter for the victors. This victory places the Walter Renner team in a three-way tie for first place with Speedway Cafe and Bethlehem Steel in the minor citywide league.

Report States Police Station At San Bruno 'Rat Hole'

"An unsanitary rat hole" That was the description given San Bruno's police station to the San Bruno City Council last week by Building Inspector Louis Traeger, and Mel F. Schlamm, health inspector.

They further alleged that conditions at the police station "endangered the health of the city's police" and recommended that the police be moved to other quarters immediately.

The charges were made in a letter read to the council, in which the officials stated that sewer gas seeps through the flooring of the building. They further pointed out that the police squad room has no windows, is without toilet facilities, and that the ceiling is below normal height.

"It's a disgrace to have to receive a report like this" was the terse comment given by Mayor Joseph Hearne following the reading of the communication by City Clerk Ralph Woodman.

Pointing out that San Brunans last year had defeated a proposed bond issue which would have provided new facilities for all municipal departments, Mayor Hearne said that another bond issue for municipal buildings will be placed before the voters.

Serra High To Stage Gala Fete Date: June 7

At a meeting last week of the Father's Club of Serra High School in San Mateo, plans were completed to hold a gala carnival in the school auditorium on Saturday, June 7. The Mother's Auxiliary is cooperating to make the event a huge success.

Since the opening of Serra in 1944, under the direction of Father Vincent I. Breen, a progressive program of building and improving the property and facilities has been under way to make Serra one of the leading Catholic boy's schools in the country. New buildings have been erected, the athletic field was recently reconditioned and modernized, and new classroom and technical equipment purchased to provide every facility for higher learning.

The Carnival this year will benefit the school's library and supply the funds for the purchase of athletic equipment for the next term.

Ray Greene of Burlingame, president of the Father's Club, is being assisted by Dr. William Carpenter, chairman of the carnival; Arthur Meyer, Robert Marlowe, Jack Rowe, Frank Sheedy, Robert Murphy, Edward Daugherty, Fred Hansen, Lou La Pointe, and John Loretz.

The ladies planning booths for the carnival are Mrs. Ray Greene, Mrs. George Muto, and Mrs. Lyon.

Trout Limits Taken

Anglers have taken several limits of good sized trout during the past week from the creeks and streams of Del Norte county, reports the National Automobile Club. The successful fishermen were using wet and dry flies, spinners, salmon eggs, and worms.

Notice of Sale of Real Property at Private Sale

No. 102277, Department No. 9

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO.

In the Matter of the Estate of JOHN ALBERS, deceased.

NOTICE IS HEREBY GIVEN that the undersigned, PHIL C. KATZ, Administrator of the estate of JOHN ALBERS, deceased, will sell at private sale to the highest bidder, upon the terms and conditions hereinafter mentioned and subject to confirmation by said Superior Court, on or after Saturday, the 31st day of May, 1947, all the right, title and interest and estate of said JOHN ALBERS, deceased, at the time of his death, in and to the real property hereinafter described, and all the right, title and interest that the said estate has, by operation of law or otherwise, acquired, other than or in addition to that of said deceased at the time of his death, of, in and to all of those certain lots, pieces or parcels of land, situate, lying and being in the County of San Mateo, State of California, and described as follows:

Lots 24, 25 and 26 in Block 12, as designated on the map entitled "Highlands of Emerald Lake Subdivision One", which map was filed in the office of the Recorder of the County of San Mateo, State of California on January 12, 1926, in Book 13 of Maps at pages 24 to 27 inclusive.

UNIMPROVED.

Terms and conditions of sale: Cash, in lawful money of the United States of America; ten per cent of the purchase price to be paid at the time of sale; balance on confirmation of sale by the Court. Instruments of title at the expense of the purchaser.

All bids or offers must be made in writing, accompanied by cash or certified check for ten per cent of the amount bid, and may be left at the office of PHIL C. KATZ, Administrator of said estate, at his office in the City Hall, San Francisco, California, or filed in the office of the Clerk of said Court in the City and County of San Francisco, at any time after the first publication of this notice and before the making of the sale. Dated: San Francisco, California, May 7th, 1947.

Pershing P. T. A. Delegates Attend 17th Dist. Luncheon

On Thursday, May 15, the General Pershing PTA unit sent delegates to Belmont for the 17th District CCPT luncheon and installation of officers.

The report of a national membership of nearly four and one half million members, with over ten thousand of them in 17th District was an inspiration to small units.

The reports of 17th District delegates to the recent State convention of CCPT at Long Beach were a highlight of the day. The theme of the convention was "New Frontiers," and these frontiers were discussed in reference to home, school, and nations.

The theme of the installation ceremony was "The Building Project," with the model supplied by the National Association, the specifications set up by the State congress, the labor supplied by the district, and the building crew by the district officers. Installing officer was Mrs. J. J. Garland Jr., State past president, and past president of 17th District.

Announcement was made of the June executive board meeting to be held Monday, June 9, at 10 a. m. at the Burlingame High School Little Theatre. The meeting will be followed by a basket lunch at Gunst Park. General Pershing plans to send delegates to this meeting.

Notice of Sale of Real Property at Private Sale By Administrator

No. 106011, Dept. No. 9

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO.

In the Matter of the Estate of HARRY J. REGAN, also known as Harry Regan, deceased.

NOTICE IS HEREBY GIVEN that the undersigned, JAMES H. REGAN, administrator of the estate of HARRY J. REGAN, also known as Harry Regan, deceased, will sell on or after Saturday the 7th day of June, 1947, at private sale, to the highest bidder, upon the terms and conditions hereinafter stated and subject to the confirmation by said Superior Court in the matter of said estate, all the right, title, interest and estate of said HARRY J. REGAN, also known as Harry Regan, deceased, at the time of his death, and any right, title and interest that said estate has, by operation of law or otherwise, acquired other than or in addition to that of said decedent at the time of his death, in those certain parcels of land situate in the County of San Mateo, State of California, described as follows:

a) Lot marked "Lodge Reservation" in Block 4 as shown on that certain map entitled "Map of Redwood Park Subdivision No. 1" filed Oct. 19, 1908 in Book 6 of Maps at page 46, Records of San Mateo County.

b) That certain lot marked "Lodge Reservation" Block 6, and Lots 15 and 16, Block 6 as shown on that certain map entitled "Map of Redwood Park Sub. 3 and Resubdivision of Blocks 6, 7 and 14, Sub. 1", filed Dec. 12, 1908 in Book 6 of Maps at page 52, Records of San Mateo County.

Terms and Conditions of Sale: Cash in lawful money of the United States of America, 10% of the purchase price to be paid at the time of sale and the balance upon confirmation of sale. Instruments of conveyance to be at the expense of purchaser. Bids or offers must be in writing and may be left at the office of Oscar Samuels and Tevis Jacobs, attorneys for said administrator, Room 1700, 333 Montgomery Street, San Francisco, California, or may be delivered to said administrator at his home, 50 Collins Street, San Francisco, California, or may be filed in the office of the Clerk of the Superior Court at any time after the first publication of this notice and before the making of the sale.

Dated: San Francisco, California, May 14, 1947.

RETIRES AFTER 30 YEARS IN ARMY

Master Sergeant Jeff J. Smith, husband of Mrs. Wilma D. Smith, 117 Gambetta street, Daly City, has retired from the United States Army after more than 30 years service.

Sgt. Smith enlisted in the Army on March 16, 1916 at Houston, Texas, and served with the 36th Division in the First World War. A short time before the second World War, Smith received a commission as 2nd lieutenant in the Infantry Reserve. A series of promotions during the war carried Smith to the rank of lieutenant colonel on January 10, 1947.

Prior to his last assignment in the Adjutant General's office at Fort Ord, California, Sgt. Smith served as Real Estate officer and Assistant Labor officer in the military community of Stuttgart, Germany.

Sgt. Smith was born in Columbus, Texas, on December 28, 1896. He is the father of Mrs. Roberta Lawson, Sgt. Robert W. Smith and Pvt. Shelley J. Smith, both members of the United States Army.

Crossing between intersections killed 2,770 and injured 46,770 pedestrians in this country in 1946. Don't jaywalk!

Edith Fasshauer And John Schauer Unite In Marriage

On Saturday, May 10, the wedding of Miss Edith Fasshauer, daughter of Mr. and Mrs. William Fasshauer, and John Schauer, son of Mr. and Mrs. John Schauer, took place in the Bethel Lutheran church, 2525 Alemany boulevard at 7:30 p. m. The impressive double ring ceremony was performed by Reverend H. P. Schroeder.

Edith was gowned in a street-length champagne colored dress. She wore a pink beaded hat and carried an old-fashioned bouquet composed of carnations, gardenias and orchids. She was given in marriage by her father William Fasshauer.

Matron of honor was the groom's sister Mrs. Harriet Brauns, who donned a blue dress and wore a gold flowered hat. Her old-fashioned bouquet was made up of pink carnations and sweetpeas.

Bestman duties were performed by Clifford Sherman. Ushers were William Fasshauer and Robert Jobson.

Immediately following the ceremony a reception was held at the Legion hall, 474 San Diego avenue, where more than 100 guests witnessed the couple cut their 4-tier wedding cake.

The couple, now honeymooning for two weeks in Los Angeles and Catalina, will make their home in the Marina. Both were graduated from Jefferson Union High school.

News Column For The Veterans

Facilities for the rehabilitation and readjustment of veterans who lost their hearing in the service have recently been expanded by the San Francisco Regional office of the Veterans Administration.

There are approximately 1,200 hard-of-hearing veterans in Northern California whose disabilities were incurred in the service.

Every effort is made by the VA Special Rehabilitation Procedures Unit, Education and Training section, to aid the hard-of-hearing veteran in his adjustment to a normal business and social life.

Veterans whose hearing is only partially impaired are equipped with special hearing aids. A special study is made of the veteran's case history, background, education and experience in order to help place him in a job that will not irritate or aggravate his disability and where his disability will not be a hindrance.

For those veterans who are totally deafened and hearing aids are of little or no use, the VA has made arrangements for special lip-reading and voice correction classes.

Hard-of-hearing veterans may take lip-reading lessons from the American Society for the Hard of Hearing, and the speech correction course is conducted by the Northern Section of the California Society for the Study of Speech Therapy.

The Speech Therapy society will conduct evening classes for veterans who are working. It is not necessary that hard-of-hearing veterans be enrolled in school or job training under the Rehabilitation act in order to take advantage of the speech correction or lip-reading services.

Veterans in need of the speech correction and lip-reading services are urged to utilize them as soon as possible because the sooner the training is started the more effective it will be, training officers pointed out.

Question: I receive a portion of my husband's compensation because we are separated. Am I entitled to a widow's pension at his death?

Answer: At the death of your husband you may be entitled to a widow's pension notwithstanding the separation, provided you are otherwise eligible.

Question: Under what conditions is a veteran entitled to out-patient treatment from the Veterans Administration?

Answer: A veteran whose disabilities are service-connected may receive out-patient medical, surgical and dental service for service-connected diseases or injuries. The treatment may be given at a Veterans Administration field station, or VA may authorize it to be given by a physician or dentist in the applicant's place of residence.

Remi Sanders Thanks Voters

The Daly City Record this week received the following communication from Remi Sanders, a trustee of the Jefferson Union high school:

I wish to thank the voters of the Jefferson Union High School District for the vote of confidence given me in the election last Friday.

I shall continue to do my best to serve the interests of our high school and the people of the district.

REMI SANDERS

County Red Cross Will Resume Its Wartime Services

The Home Service Department of the San Mateo County Chapter, American Red Cross, is prepared to resume to wartime service of helping American citizens to locate persons in foreign countries, Mrs. Barney Bristow, chairman, announced today.

Mrs. Bristow pointed out that this Red Cross service is not entirely new since hundreds of thousands of inquiries were handled during the war through arrangements with other international Red Cross societies.

Home Service workers in the San Mateo County Chapter are equipped with the necessary forms to initiate an inquiry concerning a person in a foreign country and are prepared to help in filling out the necessary information. The completed forms will be forwarded to Red Cross Home Service National headquarters, Washington, D. C., which will be administratively responsible for this service.

Mrs. Bristow warned prospective inquirers that the Red Cross cannot guarantee results. "However, she added, "the organization will make every effort to give effective service."

Interested persons can inquire at Home Service Dept., 1308 Howard avenue, Burlingame, for further information.

It Seems To Be A \$64 Question For South San Mateans

It might take the legal genius of the proverbial "Philadelphia lawyer" to settle the controversy now raging between the Bay Meadows Airport and South San Mateans who are charging that the airport is violating San Mateo zoning laws by work on its runway.

In a letter received last Saturday by the San Mateo city council, City Attorney Arthur Harzfeld pointed out that lack of precedent in "zoning the air" made determination of legality almost virtually impossible.

Allen W. Parker, South San Mateo resident, and reputed arch-foe of the airport, has requested that the city council stop work at the airport immediately on the grounds that it is carried out in violation of the zoning ordinance.

CAN'T FORM OPINION
After a two-hour conference, subsequently followed by an inspection at the airport last Friday, Attorney Harzfeld let it be known that he was unable to form an opinion on the possible violation of the ordinance. He indicated that the \$64 question involved in whether the work at the airport is maintenance or alteration.

The work in question involves smoothing, grading, oiling and widening the airport runway. Parker, together with other South San Mateo residents, claim that the work is enlarging, extending and altering parts of the airport.

On the other hand, the Bay Meadows officials contend that it is purely maintenance to bring the runway up to specifications stipulated in earlier phases of the long-standing dispute.

Shows Nervousness

There are drivers fully aware of the evil of riding the clutch who are very careful never to stop at the traffic light with the car at gear, declares the National Automobile Club. Yet, while waiting with the gears disengaged, many of these have a nervous habit of depressing the clutch pedal from time to time. The habit, like many others, can be formed with its victim entirely unaware of it.

AT DALY CITY THEATRE SOON

"Nora Prentiss," starring Ann Sheridan will be seen on the screen at the Daly City Theatre, May 25, 26 and 27.

Newlyweds Now Reside In S. F.

Residing at 120 10th street in San Francisco are the newlyweds Mr. and Mrs. Charles G. Seely whose marriage took place on Thursday evening, May 8 at 8 o'clock in the home of Mr. and Mrs. William L. Hatfield, 373 Winchester street.

The bride was Miss Joanne Lavoy Hatfield and the groom Charles G. Seely, son of Mr. and Mrs. Guy Seely, of Hinsdale, Montana.

The Hatfield home was decorated throughout with roses. The living room, the appointed place for the ceremony, was decorated with roses with candelabra on either side of the fireplace.

Reverend William Harberts officiated.

For the ceremony Joanne wore an aqua crepe dress fashioned with cap sleeves and pointed peplum trimmed with lace. She wore an orchid corsage.

Matron of honor Mrs. Phyllis Hatfield donned a princess styled peach crepe dress and wore an orchid corsage.

Bestman was Franklin H. Hatfield.

A reception followed at the home after which the couple left for a week's honeymoon at Santa Cruz.

Judge Schottky's Decision Favors Mrs. Gallenkamp

Mrs. Helen M. Gallenkamp, wife of the late Albert A. Gallenkamp of Hillsborough, was last week granted title to four disputed properties estimated at more than \$500,000 by Superior Judge Andrew R. Schottky in Redwood City.

The judgment was granted by Judge Schottky on a suit brought by the widow against the Crocker First National Bank of San Francisco; her son, Albert Jr., Pasadena; his wife, Marjorie, and their two

minor children; and Irma LeRoy and Elsie Grubbs, sisters of the deceased.

The four properties involved are the couple's home at 401 El Cerrito avenue, Hillsborough; two business buildings in Los Angeles and a house near Lake Arrowhead.

The suit instituted by Mrs. Gallenkamp sets forth that she and her late husband had purchased the properties after they had made their wills, but with the written

Request \$17,000 For County Child Guidance Clinic

Recommendations that the San Mateo county board of supervisors allocate \$17,000 in the 1947-48 budget to be used for the construction of a child guidance clinic, separate from the county health department was made Wednesday night by members of the Council of Social Agencies. Members representing 17 districts of the P.T.A. attended the meeting.

V.M. Robertson, executive secretary of the Peninsula YMCA and head of the Council of Social Agencies, said that last year the same amount was allowed by the board to be administered by the health department, but that the clinic was never established.

He pointed out that he had taken the matter up with each supervisor, and that he was under the impression that the project would receive the unqualified support by every member of the county P.T.A.

John S. Cowgill, chief county probation officer who attended the meeting said:

"You can't have delinquency prevention without a child guidance clinic. Because of crowded conditions, all resources in surrounding counties are closed to this county. I believe the people are ready to establish a child guidance clinic in this county."

understanding that they would change their respective wills to leave each one's share in the properties to the other. She further alleged that Mr. Gallenkamp had died before the new wills were made.

SCHOOL SITUATION IS REAL HEADACHE DECLARE TRUSTEES

(Editor's Note: This is the first of a series of two articles compiled by the Board of Trustees of the Jefferson School District, pointing out the necessity of bonding the District to the maximum and applying for State and Federal assistance in school facility development.)

The problems of a modern city, due to rapid changes in conditions, are in a state of transition and it is impossible to present a definite program that may be followed without deviation and that would meet with the general approval of all the citizens of the community. Opposition to many of the thoughts expressed in this report is expected; however, this opposition will cause discussion, interest and in turn will awaken the community as to its responsibilities to the children and the citizens of the community. The educational problem of this community cannot be solved independently without considering other integrally inter-related problems of other communities. When the housing of people becomes urgent, as it is today, the problems of educating the children of the people housed becomes a serious problem and to prevent confusion a master scheme must be worked out taking in those areas and problems in question; provide a flexible plan for both present and future so that the School Board may render efficient service to the School District and to the community, and at the same time assure and protect the taxpayers of the district that their funds are being properly used and safeguarded through wisely planned educational investments.

The Jefferson School District comprises Daly City, Colma, Colma, Inc. and a large rural area; in area alone, one of the four largest in the county. At the beginning of the war, the estimated population of the whole district was 12,500.

Now that restrictions on residential building are being lifted, there are several residential tracts already under construction in the School District and several more in the planning stage which will be developed as more materials are made available and building restrictions are lifted. The new tracts as they are developed will alter the population figures most radically, in an amazingly short time. In addition, further growth will be felt through the filling up of vacant areas within the existing established residential districts.

DEVELOPMENT PLANS

Two reliable real estate developers plan on developing 5200 houses in three areas alone. The three areas in general in which the greatest population growth is expected and in order of their development are as follows:

Area No. 1—The area west of Junipero Serra boulevard, beginning with what is now known as Broadmoor, and extending west approximately one (1) mile, and on both sides of School street with a portion extending almost as far south as San Pedro road. This area contains approximately 290 acres, which may contain as many as 1450 families with a population of 4750 persons and a school enrollment of 530. This area is already under development.

Area No. 2—The next area to be developed according to discussions with reliable real estate developers, will be the area north of State Highway Route 56, and extending in and around the existing San Francisco Golf and Country Club. This area would contain approximately 210 acres that may accommodate 1050 families with a population of 3400 persons and an expected school enrollment of 380.

Area No. 3—The third development expected is on the easterly slope of the Skyline boulevard extending south to the limits of the Jefferson School District. The population is difficult to estimate as some of the school population would be distributed to the above two mentioned area schools, and because of the topography the building sites may be larger and more sparsely settled, but this area would need its own school in time in order to lighten loads on other area schools. However, assume the totals for the No. 1 and No. 2 areas as 8150 population and 910 school enrollment. A total population of 15,400 people with a school enrollment of 1730 is possible for Areas No. 1 and No. 2 and No. 3. It may, therefore, be seen that a population of 7250 people

with an enrollment of 820 may necessarily have to be accommodated in the future with a flexible plan of expansion of school facilities for this area.

STATISTICS GIVEN

(a.) The area now served by the existing Pershing and Crocker Schools may expect a possible increase of 600 families with an increase enrollment of 230.

(b.) The area now served by the Thornton and Jefferson Schools may be increased in the future by as much as 85% in population and school enrollment. Any prediction as to actual figures at this time is too uncertain to be of any value.

ASSESSED VALUATION

The present assessed valuation for the Jefferson School District is \$7,508,630. This valuation has slowly risen since 1941 from a figure of \$6,839,815. Assuming a present total enrollment of 1594 pupils with a 75% ADA, we arrive at an average ADA of 1189 pupils, or a value of \$6315 per pupil.

This very unfavorably compares with the 1942 average value of \$9740. Obviously, due to proposed real estate developments in the Jefferson School District, the assessed valuation of the District will gradually increase, and while it is impossible to estimate the percentage of increase, it is reasonably certain that the enrollment figures will increase in like proportion.

The present .8335c figure compared to the legal tax limit of .90c is a very unfavorable situation, and from the above facts will not readily improve—certainly not to the extent of providing sufficient funds for the development of school facilities that the increased real estate development will require.

There is only one solution when such a situation exists, and that is to bond the District to the maximum and apply for State and Federal assistance in school facility development.

SCHOOLS IN OPERATION

The Jefferson School District has felt the effects of wartime population growth, but it does not compare with the anticipated growth within the next few years as the outlined developments in Areas No. 1, No. 2 and No. 3 are completed and at which time the existing schools will be strained beyond capacities and may result in only one-half day classes in order that all the children within the Jefferson School District may receive some but not all the instruction that they are entitled to receive. There are six elementary schools in operation at this date as follows:

The Pershing school, Thornton school, Jefferson school and Jefferson Annex, Crocker school, Woodrow Wilson primary, and Woodrow Wilson elementary.

Just Being A Grandpappy Does Have Its Effects

A reporter of the Daly City Record, in making his customary rounds of the Daly City Hall this week, was collared in the office of the Chief of Police by Mayor Melford Battye who demanded:

"How come you missed the scoop of the week?" The scribe did some fast thinking; did he miss some political news of cardinal importance, was he going to throw his hat into the next gubernatorial ring, or did some culprit make the mistake of trying to steal the police docket from under the very eyes of Desk Sergeant Bolger?

The reporter was "sweating it out" when the Mayor informed him that he "was a proud 'grandpappy'."

His daughter, he explained—Mrs. Arnold Panella, 142 East Vista avenue last Saturday gave birth to a baby daughter, Candace Ann, at Childrens Hospital in San Francisco. The baby weighed 8½ pounds at birth, and both mother and child were reported as doing "very well" at their home.

Care Of New Tires

Fast driving on over-inflated tires has been found to be the cause of numerous tire blowouts recently, according to reports from the California State Automobile Association. Motorists fortunate

Daly City Man Gets Army Post

A new U. S. Army convert who was formerly a lieutenant commander in the Navy is frank to admit that the new Regular Army's retirement plan is what changed his favorite color from blue to khaki.

Sworn in as a master sergeant on May 12 at San Francisco's U. S. Army Recruiting station, Paul L. Haggard is also a former Wichita, Kansas, police department patrolman, detective, and instructor in criminal law and criminal evidence at the Police Science School, University of Wichita.

He was born in Nortonville, Kansas, but in recent years has made his home at 23 Risel avenue, Daly City, with his wife and two sons. He graduated from the School of Law at the University of Kansas in 1938 and shortly thereafter was admitted to the Missouri Bar.

Haggard was released from the Wichita Police Department in 1941 to accept a commission in the Naval Reserve, and was called to active duty as a lieutenant (junior grade). He received his promotion to lieutenant commander in October 1944. During his Naval career, he served as Navy Shore Patrol Officer at Treasure Island, and later was a student in the Navy Island Government school at Stanford University. Upon completion of that course in August 1946, he was assigned duties as executive, legal and public safety officer with the U. S. Navy Military Government Unit at Ponape, an island in the Eastern Caroline Group.

In a previous Army hitch, Haggard served for over 3½ years with the 20th Infantry at Fort Francis E. Warren in Wyoming, from 1931 to 1935. Although only 35 years old now, M/Sgt. Haggard's previous 12 years of military service put him in line for retirement at half-pay when he reaches the age of 43, or at three-quarters pay when he's 53.

Redwood City Rodeo, July 4-6 Features Riding

Eight main rodeo riding events in addition to trick riding and roping and one event for youngsters during the three-day rodeo which is the main feature of the Peninsula's Fourth of July celebration in Redwood City July 4-6.

Dr. J. R. Whitman of San Carlos, chairman of the rodeo committee for the San Mateo County Mounted Patrol, announced this week that each show would have bareback bronc riding, calf roping, a stake race, saddle bronc riding, team tying, musical chairs, bulldogging and Brahma bull riding. On Saturday, there will be a junior calf riding event. During each afternoon there will be exhibitions of trick riding and roping.

Livestock is being furnished by Carl Grimes of San Bernardino, Dr. Whitman said.

The rodeo will begin at 1:30 p.m. each day. Tickets will be on sale soon by queen contestants. Reserved seats are available through purchase of season tickets.

Serving on the committee with Dr. Whitman are Rusty Rufus, Sandy Wara, Irving Kesterson, Pete Towne, W. I. Turck and Mark Barichievich. The Mounted Patrol is staging the rodeo for the Peninsula Celebration Association, sponsors of the show which will include a parade, fireworks, dancing, entertainment of various kinds, and operation of food and game concessions. Alton B. Cryer is general chairman of the celebration.

Game Violators Pay \$17,350.50 In Fines

A total of 534 arrests were made and fines amounting to \$17,350.50 were collected during April by the Bureau of Patrol, California Division of Fish and Game.

In the corresponding month last year, 377 fish and game law violators were arrested and \$11,606.50 in fines were collected.

The April arrests swells the total since July 1, 1946, to 4,726 and the fines collected since July 1, 1946 amount to \$201,613.

enough to get new cars or new tires are advised to check the air pressure regularly and inflate their tires in accordance with factory recommendations. Air expands when heated, and fast driving generates heat in tires, which may result in an over-inflated condition.

Executive Board Gen. Pershing P. T. A. Meets May 25th

The regular monthly executive board meeting of the General Pershing P.T.A. unit will be held on Wednesday, May 28, at 1:30 p. m. The meeting will be in the home of Mrs. George Freeland, 156 Irvington street.

Mrs. M. E. Nenstiel, president, urges all members of the board to be present. This is the first meeting of the new officers and committee chairmen, and plans for the coming year will be discussed. A further explanation of responsibility and duties will be given by Mrs. Nenstiel.

No further board meetings are scheduled for the current school year, so for instructions to carry over the summer vacation it is vital that attendance be 100%.

Motorists Pay \$225 In Fines

During the past week motorists arraigned before Judge William J. Sweeney on various charges of traffic violations paid out a total of \$225 in fines. Four defendants forfeited a total of \$40 in bail for their failure to appear in court.

James Williams of Oakland who was arrested by Daly City police on May 7, on a charge of driving his car while under the influence of liquor, entered a plea of guilty and was fined \$100.

Like Pork Best

Pork is the most popular meat in the American diet.

History Of The American Legion

By John Derungs

American Legion Publications
The American Legion has grown into a giant in the publication field of the United States by virtue of its tremendous membership of 3,326,556 achieved during the past year, to cite some highlights of the publishing activities of the world's largest veterans organization.

The combined circulations of the national, state, county and post publications of The American Legion are now in excess of 7,000,000, the net advertising revenues of the magazine alone amounting to more than \$1,000,000 a year.

Legion Press Association

There are today some 375 state, district, county and post publications in the American Legion. Some of the department publications have big circulations and oddly enough, according to the following figures, The California Legionnaire tops the list.

Circulations

The California Legionnaire.....168,973
The Hoosier Legionnaire.....120,749
The Iowa Legionnaire.....110,930
The Texas Legion News.....131,541
The Ohio Legion News.....149,227
The Badger Legionnaire..... 89,689
The Missouri Legionnaire..... 90,215

There are 36 official state publications in The American Legion. Editors of the organizations' publications have an association known as The American Legion Press Association. It now has more than 200 members.

New department and post publications are being started continuously.

THERE'S NO PLACE LIKE HOME!

(That goes for Ford Service, too!)

You'll find it pays to bring your Ford "back home" to us, for Genuine Ford Service. Here are five important reasons why:

1. FORD-TRAINED MECHANICS—
Who know your Ford best.
2. FACTORY-APPROVED METHODS—
For faster, better work.
3. SPECIAL FORD EQUIPMENT—
For a job done right.
4. GENUINE FORD PARTS—
Made right... fit right... last longer!
5. CONVENIENT BUDGET TERMS—

And here's a real time saver: You'll get immediate service on all jobs! Try Genuine Ford Service. We're sure you'll agree...

Raise \$900 Fund To Save Life Of 14-Year-Old Girl

Dying Girl Gets New Lease On Life

"We have no intention of 'letting the girl down' and we will find some way in making the funds available."

This was the statement made Friday morning to a reporter of the Daly City Record by Alvin S. Hatch of the San Mateo County Board of Supervisors in the case of 14-year-old Virginia Calderon who is said to be dying in the San Mateo Community Hospital as the result of tubercular peritonitis.

Physicians at the hospital said that her last hope of staving off death lies in the use of streptomycin to treat the dreaded disease.

DRUG RECOMMENDED

About three months ago, a recommendation that the drug be used in the girl's case was made. At a meeting of the San Mateo County Board of Supervisors it was decided that they could not afford to allocate approximately \$900 needed to purchase the drug.

The use of the drug, the supervisors held, was experimental, and that they were unable to authorize use of county funds for "experimental purposes."

The board met Friday morning with the officials of the San Mateo Tuberculosis and Health Association and decided to raise the necessary amount of money to purchase the drug.

World War I Vets Should Take Notice

Approximately 1300 World War I veterans can obtain refunds averaging \$287 per veteran in connection with California farm and home purchase contracts, if they—or the survivors of those who are deceased—will make their whereabouts known to the State Department of Veterans Affairs.

The last known addresses of 39 of these veterans were in San Mateo county, but notices of the refunds have been returned for lack of forwarding addresses.

Refunds totaling more than \$4,000,000 already have been made to approximately 15,000 veterans as the result of legislative action canceling a "loading charge" which was added to the contract price of homes and farms purchased by veterans under the state plan from 1921 to 1945.

The special charge, intended as a reserve for possible losses, was found to be unnecessary since substantial reserves were accumulated during the 25 years of operation of the program.

INTEREST REDUCED
In addition to authorizing the refunds, the legislature made possible a reduction in the interest rate from five to three per cent, and increased the maximum amounts of purchase contracts to \$7500 for a home and \$13,500 for a farm. Veterans who are natives of California or who were residents of the state at the time of entering the service are eligible for purchases.

Applications for refunds may be made by eligible World War I veterans, or their heirs or dependents, by contacting the Department of Veterans Affairs, 1020 N street, P. O. Box 1559, Sacramento 7, Calif.

Those whose last known addresses were in this area are:

Burlingame — Norman B. Chaney, Bert J. Clifford, Walter L. Dolan, Emery T. Gove, Ralph C. Gray, Percy G. Hutchings, Rudolph M. Jenson, Earl A. Kennedy, Daniel J. McDonald, Henry Kendall Marrion, Stanley Marvin, Albert Edw. Medley, William Thomas Mitchell, Robert W. Munn, John C. Roche, Richard F. Romich, Herbert Baron Schalk, Abraham Shapiro, Albert Edward Smith, Louis M. Sutter, Ellis G. Terry, James B. Threlkeld, Jr.

Daly City—Ann Murray, Henry J. Potvin.

Menlo Park — Ralph Irving Bates.

Millbrae — Claude C. Brown, Harry R. Maynard.

Redwood City—Oswald Speir, Jr.

San Bruno—Frank P. W. Jacobson, Joseph A. Rich.

San Carlos — Marie A. Fiane, Paul Janvrin Vincent.

San Mateo — James A. Berks, Harold M. Chamberlain, James B. Dobson, Alfred Musante, William J. Nicholis, Frank M. West, Harry Guy White.

Pershing P. T. A. Dance Committee Meets Saturday Night

The General Pershing P.T.A. will hold a committee meeting Saturday at 8 p. m., at 188 Acton street to outline plans and practice square dancing for their country dance which is to be held June 7, it has been announced.

The committee is composed of Mrs. Thomas Jent, chairman; Mrs. Abe Gensel, Mrs. F. W. Bauer, Mrs. Jack King, and Mrs. V. M. Faragher. Husbands are helping out on the committee.

S. M. Transit Co. Reduces Services

Drastic reduction in service for San Mateo and Burlingame, and the elimination of all service to and from Hillsborough, was announced last Saturday by the San Mateo Transit company. Company officials said these measures were necessary due to the company's inability to meet union demands.

Transit officials announced that Sunday and holiday service will be eliminated as well as late evening service. In an application made Saturday to the Public Utilities Commission, the company requested permission to do away with commuters tickets. The petition declared that the present revenue is inadequate to defray reasonable operating expenses and to pay a fair return.

Deputy Sheriffs Raid 101 Club Early Tuesday

After gaining entrance to the 101 Club on Bayshore highway early Tuesday, two deputy sheriffs of San Mateo county, routed fifty Chinese, and arrested three others as dealers.

The deputy sheriffs, Everett Heagney and John Hosford said that they saw a limousine pull up in front of the club. Five Chinese passengers filed out, and walked into the place, the deputies following.

After they had passed successfully through one door, they were halted at a second. They forced their way through, however, and found the fifty Orientals playing pi gau, fan tan, and dominoes.

The alleged dealers, all Chinese and from San Francisco were released on bail of \$250 each.

Proper Lane For Turning

Drivers who make left-hand turns from right-hand lanes or right-hand turns from left-hand lanes sparl traffic and often cause serious accidents, warns the Public Safety Department of the National Automobile Club. Before turning to the right or to the left the motorist should be sure that he is in the proper lane.

Catholic Daughters Hold Elections

At the last meeting held by Court St. Mary No. 1155, Catholic Daughters of America, the following officers were elected to take office in the month of June:

Jeanette Lachini, grand regent; Josephine Pyne, vice regent; Magdalene Savage, phophetess; Camille Clarke, lecturer; Marilyn Brown, financial secretary; Frances I. Tamony, historian; Christine Michelson, treasurer; Ida Forest, monitor; Anna Vaughn, sentinel; Dana Lee Brown, organist; trustees, Margaret Keegan, 3 years, Mary Baker, 3 years, and Virginia Rengstorff, 2 years.

After the meeting refreshments were served by Chairman Marilyn Brown and her committee.

New Arrivals - - -

To the wife of John G. Patton, 776 Niantic street, May 13, a daughter.

To the wife of Arnold L. Panella, 142 East Vista avenue, May 10, a daughter.

To the wife of John H. Price, Colma, May 5, a son.

Rainbow Trout

There has been a very large run of big rainbow trout from Exchequer Lake, Mariposa county, according to the National Automobile Club.

Mrs. Anne Eason Is Luncheon Guest

Mrs. Anne Eason was honored at a luncheon given by Mrs. Anne Ingersoll on May 15 in the home of Mrs. Martha Wegner, 399 Crocker avenue. Others were invited but they had to attend Installation luncheon of 17th District of the P.T.A. Anne was given two mops and a pair of salt and pepper shakers by Mr. Parks of the Stanley Products Company. A cake with "Happy Birthday Anne" was presented to her by her sister, Mrs. Julia Byrne. Those present to pay their respects to Anne were:

Mrs. Martha Wegner, Mrs. Maize Boyle, Mrs. Lillian Cavagnaro, Mrs. Mary Crane, Mrs. Katherine Foreman, Mrs. Alice Tylanda, Mrs. B. Cerrati, Mrs. Anna Anderson, Mrs. Olga Bordson, Mrs. Martha Linden, Mrs. Lillian Bloom, Mrs. Rose Watson, Mrs. Florence McKay, Mrs. Mabel Jent, Mrs. Dolly Gensel, Mrs. Emma D'Isep, Anne Eason, guest of honor, Mrs. Ingersoll, hostess, Mrs. Julia Byrne.

Trout Fishing At Big Lagoon

Trout fishing at Big Lagoon, Humboldt county, was very good last week. Fair fishing was to be had at Stone Lagoon in this same area.

DE SOTO

"Best car I ever owned regardless of price"

*That statement, made by the overwhelming majority of new DeSoto owners in the latest nationwide poll, adds up to one of the greatest tributes ever paid any car. See DeSoto and see for yourself! Compare it carefully with any of the others. Then we are confident that you will say, "There's my next car!"

Drive without Shifting

In the new DeSoto, all normal driving is done without even touching the clutch or gear shift lever, thanks to gyrol Fluid Drive and Tip-Toe Hydraulic Shift. You touch the brake to stop... then step on the gas to go. Easier driving than you've ever known, both in traffic and out on the open highway.

Freedom from Blowout Fear

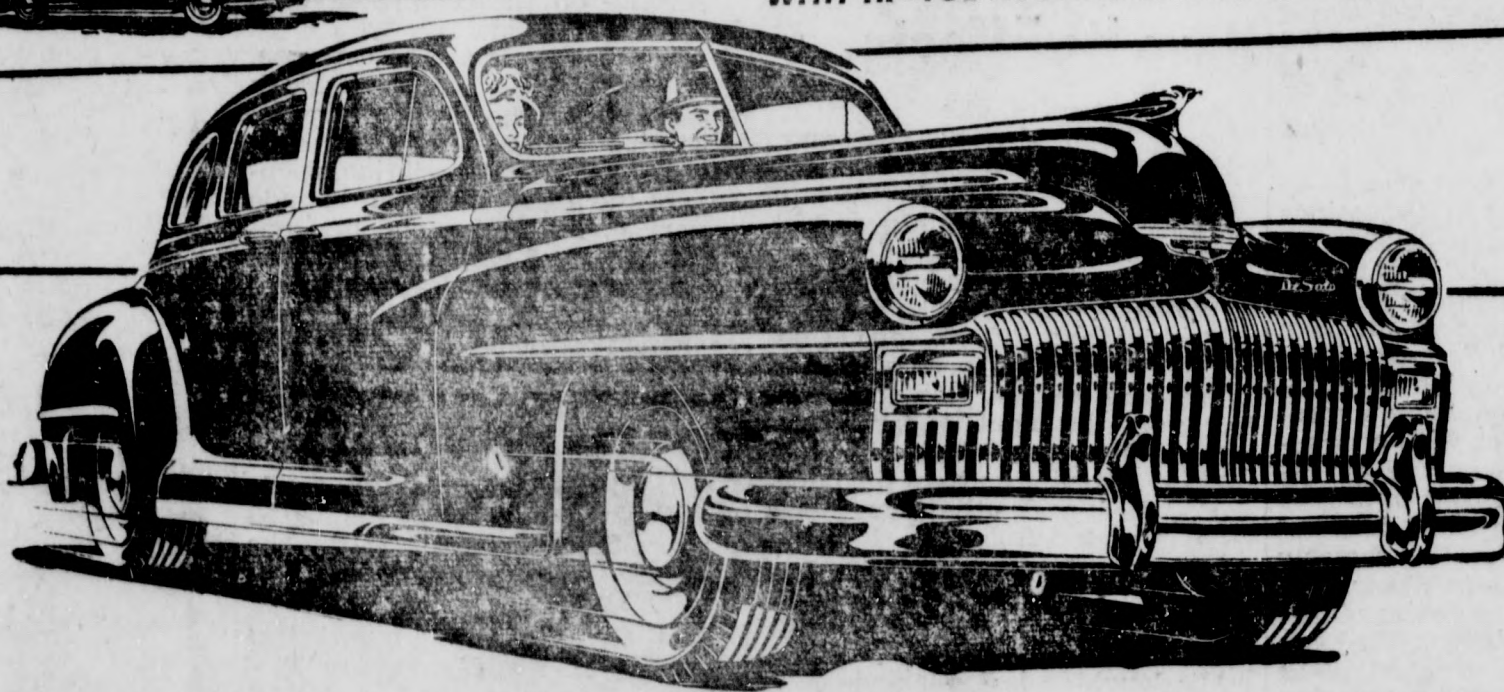

Blowouts that tear the tires off rims can put cars out of control. New DeSoto Safety Rim Wheels keep tire and tube in place. Even at high speed they help you to come to a safe, straight stop.

Freedom from Brake Effort

No longer need you bear down on the brakes. With DeSoto's new Safe-Guard Hydraulic Brakes, you need far less pedal pressure. Most important brake improvement in years.

It will pay you to give your present car the best of care. Skilled service now may save big repair bills later and will increase your car's trade-in value. We have the modern equipment, trained mechanics and factory-engineered and inspected parts that your car needs.

Edward J. Foley, Soc. Sec. Officer, To Be In South S. F.

Edward J. Foley, manager of the San Mateo office of the Social Security Administration, will be at the State Employment Office, 215 Linden, South San Francisco, every other Thursday from 2 to 4 to take applications for benefits under the Federal old-age and survivors insurance program and conduct other business connected with the Federal family insurance program.

Foley urged all employees in industry or commerce who are 65 or over to confer with him on the advisability of filing applications for retirement benefits for which they and their families may be eligible. Where wage earners in employment covered by the Social Security Act have died, members of the families should see him at the

Cooling System Tip

The motorist who keeps his car's cooling system in good condition, free from leaks and the like, has one distinct advantage, according to the National Automobile Club. It is to be found in the fact that scale collection in the system will be kept at a minimum. Every time water is added, the amount of scale is likely to be increased owing to impurities in the new supply.

earliest possible moment about filing their applications for benefits, he said.

Monthly benefits are payable retroactively for a maximum of only three months before the date of filing, so any long delay in making application will result in loss of benefits.

CANCER FUND DRIVE IN COUNTY IS "OVER TOP"

San Mateo county gave, and gave generously in the April drive of the American Cancer Society.

One of the first counties in the state to reach its quota, which was set at \$25,000, San Mateo county has contributed a total of \$30,153.35 to date. Although the drive here closed April 30, contributions are still coming in and indications are that the final total will be considerably higher, officials at headquarters of the San

Mateo county branch of the society, 235 Third avenue, San Mateo, reported today.

Norman J. Corlett, county campaign chairman, expressed appreciation to organizations and individuals participating in the drive. "The challenge of this year's slogan, 'Unless We Act, One In Eight Will Die of Cancer,' was accepted here wholeheartedly. The results of the drive are highly gratifying," Corlett said.

"The magnificent response we have received is due in great part

to the widespread publicity given the cause of cancer control by press, radio and speakers," Mrs. W. Parmer Fuller jr., county commander, for the American Cancer Society, stated. In addition to the financial success of the drive, the educational message, which was an important feature of the campaign, is already showing results. Physicians have reported an increase in persons seeking early diagnosis, Mrs. Fuller said.

News Notes Of S. M. Jaysee

San Mateo Junior College continues its week of programs observing the 25th anniversary by having a special performance of the term play, Thornton Wilder's "Our Town," at the college this Friday evening at 8:30. Former students and their husbands and wives are to be guests of the college, while the Players' Club will provide refreshments and a chance for chatting with former classmates and instructors at the close of the play. "Our Town" was a big hit last week end when it was produced twice for the general public.

This Saturday evening the college will close its anniversary program with the alumni dinner, with former students, husbands and wives, and faculty members din-

WIDOWS AND ORPHANS ASSOCIATION

OF THE

DALY CITY FIRE DEPARTMENT

The Widows and Orphans Association of the Daly City Fire Department wishes to announce and to invite each of you to their

ANNUAL BALL

to be held at the

Jefferson Union High School
Auditorium

SATURDAY EVENING, MAY 24, 1947

To better acquaint you with the functions of the Widows and Orphans Association may we point out the fact that the firemen now serving the community are not provided with any death benefit or insurance by the City of Daly City, however, the City does provide a policy for injury or accident at a fire.

In order to provide for the Widows and Orphans of the firemen, the Fire Department has organized the Widows and Orphans Association which in turn holds an Annual Ball to raise funds to provide each fireman with an insurance policy which pays \$1,000 upon death. Since the existence of the Association many widows and orphans have benefited.

We of the Widows and Orphans Association sincerely request your support in making our eighteenth annual ball a success.

Tickets are now on sale by all members of the Fire Department.

Sincerely yours,
M. G. HANSON

**SPOTTED FAWN
WARNING GIVEN**

If, when wandering afield, you chance upon a tiny spotted fawn, restrain your impulse to take the poor foundling home.

The California Division of Fish and Game won't like it.

In the first place, the fawn is not lost.

Secondly, it has not been abandoned.

Its mother is somewhere nearby, even though you cannot see her and she is perfectly capable of caring for her offspring.

So restrain your humanitarian

**Report Increase
In Fish Licenses**

Angling license sales for the pe-

riod ending April 30 have shown an increase over the preceding year according to H. R. Dunbar, chief of the Bureau of Licenses, California Division of Fish and Game.

Fishing license sales to date total 304,000, as compared with 209,000 at this time last year.

The increased sales are attributed to the April 5th trout season opening in Southern California and the fact that there was a good run of stripers on the lower Sacra-

mento and San Joaquin Rivers.

Give Yourself A Break

Drivers with bad brakes don't often get good breaks in traffic, the California State Automobile Association points out. Keep your brakes adjusted, and "Take It Easy" in traffic.

A total of 2,466 agencies are selling fish and game licenses in California at present.

Belli Motor Co. In Search For Oldest Chev. Truck

Owners of early-model Chevrolet trucks in Daly City and Colma were invited today by Belli Motor Co. to participate in a nationwide search by the Chevrolet Motor Division to locate the oldest Chevrolet truck still in active service in the United States.

"The owner of the oldest truck will be presented with a brand-new advance-design Chevrolet truck and may choose any standard model in the current line of Chevrolet commercial cars and trucks," M. J. Soldavini said.

Trucks entered in the search must be driven to a Chevrolet dealership, where official entry blanks are available. The search ends June 15, 1947, and the winner will be notified on or before June 20, 1947.

"We have a large number of old Chevrolet trucks still in everyday service in the Daly City and Colma area," Soldavini said, "and the winning vehicle may be on a

farm or engaged in some other hauling work right in our own community."

The winning truck, Soldavini stated, must carry 1947 license plates. The oldest Chevrolet truck will be determined by the earliest serial numbers. In cases where the serial number is lost or illegible, the number may be established by an original bill of sale or other legal documents showing the original serial number.

Entries must be filed with a Chevrolet dealer by midnight June 15. Only vehicles manufactured as trucks by Chevrolet are eligible, and the search is open to all truck owners with the exception of employees of the Chevrolet Motor Division, dealers in cars and trucks and their employees.

Bank Of America In San Mateo Plans Expansion

A \$60,000 expansion program of the Bank of America were mapped out last week for the bank's facilities at their San Mateo office at 227 B street, it was announced.

Granting of a CPA permit for expansion and erection of additional facilities was announced.

Final papers for lease of the property had not yet been completed, according to Fred A. Marianetti, vice president. Completion of the addition it was pointed out, will enlarge the bank building all the way back from the present B

street frontage to Main street.

Marianetti stated that the new addition will be used for tellers' windows and would generally ease the present quarters which have been taxed due to an increase of business.

Ebbets Pass Open

Ebbets Pass on State Highway 4 is now open to traffic, reports the National Automobile Club. While the whole pass is open, careful driving is necessary beyond Lake Alpine.

Mussel Quarantine

Mussels from the California-Oregon border south to the California-Mexico border are quarantined from May 1 to October 31, 1947. While they are not to be used for human food, some anglers might find them useful for bait.

Motor Vehicle Production

According to the latest estimates some 92,000,000 motor vehicles have been turned out by the American automotive industry since production was started around the year 1900.

Builders of Empire**GENERAL
GEORGE A. CUSTER**

★ 1839-1876 ★

American officer, Indian fighter. Known best in the schoolbooks of America for his famous "last stand" against the Sioux at Little Big Horn, Montana. Outnumbered 9000 to 1100, Custer and his men were annihilated, but the courage of this heroic leader served well the great West.

Service to the people. Great has been our pleasure in helping solve the building material and supply problems of the people of this community. That we have done so with fairness to all is indicated by our record of leadership. Come in today and let us be of service to you.

A. L. STOCKTON LUMBER CO.

6100 Mission St. - DALY CITY - Delaware 6320

Death reached for,
this Man...

and Missed

Today, this man walks our streets alive, well and happy.

Recently, Death reached for him—almost had him. But the miracles of Science proved stronger than the demons of Disease. And this man—a friend of yours, perhaps—became one of the many thousands who owe their lives to modern medical science.

We shall long remember this as the decade that gave us wonder-working drugs—the sulfa derivatives, penicillin, streptomycin; new revolutionary techniques in surgery; improved methods of treating wounds and burns.

And all these things are but the beginning of a new and brighter era. New and greater wonders are yet to come. For Science is not a static thing. It is ever moving, ever searching, ever resolved to lighten the burdens of man, even as it lengthens his days here on the earth.

Consult your Physician

To get well—and to keep well—is a common obligation. Consult your Physician. Heed his experienced counsel. And we hope you will bring his prescriptions here for careful compounding by our skilled pharmacists.
